Dear parents/guardians

I want to start by saying a huge well done and thank you! We today have approximately 80% of pupils accessing learning either via Zoom or in school. I know that home learning is not easy so you are really doing a brilliant job - your support is invaluable. We are aiming for 100%, so if you're not yet on Zoom and need any support please give us a call - Rebecca in the office is becoming expert at sorting out glitches in IT.

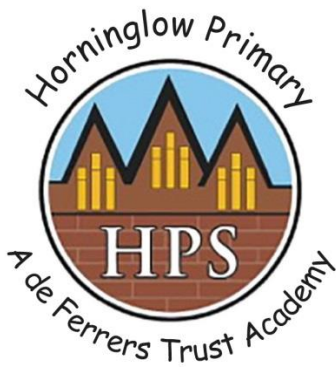

I am extremely proud of the teachers and TAs who have stepped up to the challenge of remote learning. Who knew this time last year that we would be teaching via Zoom?

A reminder of our Zoom etiquette:

Zoom Meeting Etiquette for pupils

- Be dressed and brush your hair
- Remember People will be able to see behind you so make sure nothing distracting is visible.
- Mute your microphone.
- If you wish to speak, raise your hand. When your teacher asks you, unmute yourself.
- Your teacher may ask you to make comments in the chat room - remember all the Zoom members will see this.
- Please do not record or take screenshots as some of our pupils do not wish images to be shared.

iPad News

Following the article in the Burton Mail,

(<https://www.staffordshire-live.co.uk/news/burton-news/what-its-really-like-teaching-4864828>)

we have received several donations of a device, for which we are extremely grateful. A special thank you to Coors who have donated 17 devices.

By the end of this week, we are hoping to have enough ipads to loan one to each child who has requested one.

Parent Survey

We want to know what we are doing well and what we can do even better so please complete our survey about home learning. Your views really matter as we are learning a new way of teaching and need to know what works best for pupils.

Pupil Survey

We will be sending pupils in KS2 a survey next week so that they can tell us their thoughts on remote learning.

Star Assembly

We will be having a whole school assembly via Zoom on Friday afternoons beginning next Friday. Each year group will have a home learning star and an in school star. We hope you can all join us. We will send the link nearer the time.

Yours sincerely

Mrs Breedon
